The Pride of the American Navy Steamed Up the North River.

the Nine Months' Cruise.

The White Squadron-the pride of every patriotic American heart-weighed anchor in Graveson! Bay this morning, and steamed slowly, as became such majestic vessels, up past Quarantine and into the North River, where they dropped their kedges off West

Twenty-fourth street.
The Atlanta was first in line; then came the Boston, a cable's length astern, and about the same distance away was the flag-

The squadron arrived home last night

Capt. Hobeson of the Chicago received the reporter very conridously. The latter asked for a description of the trip and the Captain kindly volunteered to tell what he knew.

the best business profits of the town.

The blaze started in Laurence's saloon, a located m a dangerously built wooden building on Fall street, known as the building on Fall street, known as the Few block.

It was a bad place in which to fight a fire, and the fiames soon eaveloped the mire structure.

Then they began to apread, and within the control of the local fire department.

The excitement had grown intense, as the was easily to be seen that the village was on the verge of the greatest disaster it had known.

Every available means of combating the fire was called into requisition, including extra steamers from the Silaby works, but more help yet was needed and turgent calls for aid were sent to Waterloo and Geneva.

Seven companies of firemen responded as soon as possible, but the fire had been gaining all the time, and when the reinforcements came it was a furious giant of the work of the electric lighting and electric and sounders of the electric lighting and electric and courier, local weeklies; the telegraph office and Saunderson's furniture store.

Fall street was closely built up, and the buildings were of a class to make easy trull.

At 90 clock at least thirty stores had been burned out, and the most substantial business houses of the village were in alway companies, the Post-Office, the express office, and saunderson's furniture store.

Fall street was closely built up, and the buildings were of a class to make easy trull and the counter of the same class in the foreign saw of the electric lighting and electric and the counter of the same class in the foreign saw of the electric lighting and electric and the counter of the same class in the foreign saw of the electric lighting and electric and counters, local weeklies; the telegraph office and Saunderson's furniture store.

Fall street was closely built up, and the buildings were of a class to ma

handsome Sheidon block; Kellogg's livery stable—these were among the larger buildings destroyed.

Gleason & Bailey's chemical fire engine manufactory was ablaze several times, but was saved.

We heard nothing of any frontile in Buenos Ayres.

'The report that there has been dissatisfaction among the squadron is 'asse. There as the fact of only five desertions will prove.'

The vessels look well, notwithstanding their long cruise.

At 10.30 the fire was thought to be under control, but at 11 o'clock it was HURLED THEM SIXTY FEET

A Fatal Accident at the Western Union Building

A terrible crash at the Western Union Building startled pedestrians on Broadway at 1.40 o'clock this afternoon

The huge chute in which the rubbish is being sent down from the top of the build the recent fire suddenly gave way at the sixth story and went crashing down prick and broken timbers.

A heavy barrel of cement also crashed along down just behind them and struck one unfortunate man full on the chest, terribly, shop, Hull's eigar factory and Dennis if not fatally, injuring him. Bystanders quickly removed him to the

Michael Boyle's Prison Doors Opened by "The Evening World."

The Man Who "Annoyed" Hospital Doctors Is Free.

Judge Duffy Reopened the Case and Promptly Discharged Him.

Police Justice Duffy, in the Essex Market Court this afternoon, discharged Michael Boyle, the scalded 'longshoremen who was railroaded to the island through the offensiveness of the medical staff of Gouveneur Hospital because his friends called the ambulance three times to at tend him.

THE EVENING WORLD champtoned the poor man's cause and unearthed the facts in all their detail that led up to his out

but there was almost as large a crowd at the Through the exp sure in The Eventso extra day and no stake race as an especial opened to-day, and the preponderance of evidence in Boyle's behalf was so great that a brief examination of the witnesses convinced Judge Duffy that the man well, and the prospects for good sport was convinced Judge Duffy that the man too flattering for the people to remain at the ordered.

The examination occupied but a fer minutes. Six witnesses testified that summoning of the ambulances.

Dr. Vanderveer, the ambulance surgeon who caused Boyle's arrest, was present and he swore that the House Surgeon instructed him to cause Boyle's arrest, ing man, and then discharged him,

mitment to prison for two months be. Gouverneur Hospital. cause he annoyed the young officials stituted an unqualified outrage upon an hospital service.

innocent and suffering man, The story touched a responsive chordin the heart of the public, and there is every Honora Boyle, who have been summoned, prospect that the man will be released will doubtless convince Judge Duffy that Dr. Merrigan's action as undue and before nightfall and restored to his two a revocation of his action is the proper heart-broken sisters, whose only support thing.

Police Judge Duffy, out of his wellnoon in the Essex Market Police Court. when an Evening World reporter called They are practically without means, and on him, for the purpose of bringing to his attention the fact that a sick man the agony of his scalds they prevailed

had been committed by him to the Work. upon some neighbors to get the ambuhouse for two months on the uncorroborated evidence of a single ambulance Judge Duffy was thunderstruck when usked to go to the hospital the first time he heard the startling array of facts read the ambulance came. I told the doctor,

to him by the reporter in his private roun on the occasion of the second call, that I distinctly understood that all the evidence before him was embodied in the formal complaint of the surgeon, setting forth that the man was drunk and had dis- told Michael that he was a prisoner now turbed the ambulance service.

IT WAS AN EX PARTE CASE. "How could I act otherwise than did." he said. " when there was no other doctor, and my poor brother was taken evidence than what was contained in the out of his bed and locked up in the staofficially informed of the facts as narrated in this story, and they surprise me.

"When Boyle was brought before n the charge was such that the man should be made an example of, and I sent him to that Boyle needed a little repairing, as he Boyle's neighbors, and live in the house looked like a drinking man, and I deemed 168 Monroe street. John Kelly was presit advisable to send him to a place where ent each time the ambulance came, and he could recuperate.

REOPENED AT ONCE.

"There was no evidence before me that him, and I c usider that I imposed upon him a light sentence. But it is not my object to be unjust or uncharitable in my denings with the a ores of prisonthat daily come before me and since I learn that there are other alleged facts in the case that were not brought to my notice, and if THE EVEN-ING WOLLD is of the opinion that an injustice has been done the man Boyle, i will reopen this case and set the examina tion down for 2 o'clock this atternoon."

SEERING MORE EVIDENCE. Judge Duffy then issued orders that ance of all the witnesses in the case. subpanies were signed by the Judge and Landed to the reporter for service. JOY AT BOYLE'S HOME.

ar | made a victim of injustice."

HUMBLE SUGGESTION FOR THE BENEFIT OF THOSE WHO DO NOT KNOW.
